CUMULATIVE, REDEEMABLE "A" PREFERENCE SHARE CASH DIVIDEND

Notice is hereby given that the Directors have declared a gross cash dividend of 19.38301 cents per "A" Preference Share for the period from 1 March 2016 to 1 June 2016.

The distribution constitutes a foreign dividend as defined in section 1 of the Income Tax Act ("ITA") and is a dividend for purposes of dividends tax ("DT"), since the shares are listed on the JSE Limited.

An exemption from DT is provided for in the ITA in respect of foreign dividends paid to a South African company and to a non-resident to the extent that it is paid in respect of listed shares, provided certain administrative procedures are complied with. The ITA further provides for an exemption from income tax in respect of foreign dividends received or accrued in respect of listed shares.

Shareholders who are not exempt from the DT will therefore receive a net dividend of 16.47556 cents per "A" Preference Share.

In determining the DT of 15% to withhold in terms of the Income Tax Act for those shareholders who are not exempt from the DT, no secondary tax on companies credits have been utilised.
